

Archon Invasion 2045 and the quest for Immortality at Supernatural Truth Convention -Session 6 Rob Skiba

Brief review of previous night's session: Mt. Hermon / Roswell Connection

Nephilim

Genesis 6

Flood was to destroy the physical manifestation of the Nephilim

In Greece, everywhere you look you see Mythological creatures (human hybrids)

They weren't memorialized as myth, they were memorialized as real.

They were real.

The Torah (and the Prophets) was the "Bible" to the people in the Bible.

The Genesis 6 experiment

00::09:40

Synchronized Biblically-endorsed Extra-Biblical Texts:

Enoch, Jasher, Jubilees

They give us a lot of detail about the Genesis 6 experiment.

They follow the same sequence of events as Genesis

They provide a lot of detail about the Genesis 6 experiment

Genesis 6:2 That the sons of God saw the daughters of men that they *were* fair; and they took them wives of all which they chose.

The ancient texts above and Josephus all agree these are Angels

Angels = children of Heaven / sons of God

Mount Hermon: the location 200 of a class of Angels called "The Watchers" landed.

All of Genesis 6 is pre-flood

00::13:02

Nephilim are the OFFSPRING of fallen angels, not the angels themselves.

The word Nephilim is used 435 times in the Bible.

Nephilim can be produced in other ways. Numbers 13:33 From other Nephilim.

Enoch chapter 10 tells us that the first generation Nephilim would only live for 500 years. They end up killing each other off in a massive civil war. This became known to the Greeks as "The Clash of the Titans" Josephus says the first generation Nephilim were the Titans of old.

The Book of Enoch tells us the Angels loved their offspring,

The Watchers (fallen angels) were forced to watch their children kill each other.

The Watchers were then judged, bound, and chained in Tartarus
At 3000 BC, it's all done.

00::17:25

About 3414 BC, the Aztec/Mayan calendar stone shows up. About 20 years later, the first man, Adam, dies. Shortly after that, is the end of the 500 year time frame when the first generation Nephilim were to kill each other off according to <inaudible 1 Enoch chapter 10?> verses 10-12 . Some time shortly after that, The Watchers, who were forced to watch their children kill each other off were judged, bound, and buried. Some time shortly after that, Enoch is raptured, and about 68-70 years later, Noah is born.

00::18:03

It's still nearly 700 years before you get to the flood. What happened to get God so upset?

There is no written documentation of any other incursions of Angels mating with women. There is nothing to indicate angels had relations with women after the flood. Concluding such is eisegesis –inserting your own ideas into the text.

[00::18:40 Segment on the meaning of names 00::21:10]

Pre-flood Return of the Nephilim

Genesis 6:1-4 Angels mating with humans

Genesis 6:8-10 Noah and his sons were genetically pure

Genesis 6:11-12 all flesh was corrupted

Genesis 6:13-17 God got increasingly angry

It only took 5 years to build the ark (According to the extra-Scriptural texts).

Noah preached repentance the rest of the time.

Can you repent of being born Polish? No. You can only repent of what you've done.

Genesis 6:18 The first mention of the wives of Noah's sons. They took their wives 7 days before the flood. It comes from the book of Jasher 5:32-36:

32 And thou shalt choose for thy sons three maidens, from the daughters of men, and they shall be wives to thy sons.

33 And Noah rose up, and he made the ark, in the place where God had commanded him, and Noah did as God had ordered him.

34 In his five hundred and ninety-fifth year Noah commenced to make the ark, and he made the ark in five years, as the Lord had commanded.

35 Then Noah took the three daughters of Eliakim, son of Methuselah, for wives for his sons, as the Lord had commanded Noah.

Their choices were extremely limited.

Lamech's brother did not make it onto the ark.

Jasher 4:18

18 And their judges and rulers went to the daughters of men and took their wives by force from their husbands according to their choice, and the sons of men in those days took from the cattle of the earth, the beasts of the field and the fowls of the air, and taught the mixture of animals of one species with the other, in order therewith to provoke the Lord; and God saw the whole earth and it was corrupt, for all flesh had corrupted its ways upon earth, all men and all animals.

This was what they had the ability to repent of doing.

Jubilees 7:24 And after this they sinned against the beasts and birds, and all that moves and walks on the earth: and much blood was shed on the earth, and every imagination and desire of men imagined vanity and evil continually.

(This matches up with the “and also after that” of Genesis 6:4.)

00::27:45

Sinned against the animals and had only evil in their hearts and minds continually.

“Sinned against the animals” is a reference to the genetic manipulation...which created the animal/human hybrids of mythology which also appears to have also made a way for the disembodied spirits of the Nephilim to have “host” bodies to once again bring about their return.

00::28:40

There is a difference between demons and fallen angels. Fallen angels have bodies of their own. Demons seek a body to get into. The fallen ones were inspiring the humans to act on their behalf: to create a body that did not have a God-prescribed nephesh to go into.

Hybrids: used by the Nephilim disembodied spirits

God-prescribed nephesh (God’s breath or a spirit)

Hybrids have no God-prescribed nephesh. They have a shell with no spirit that they can inhabit.

Dr. Judd Burton, *Interview with the Giant*

“Despite the loss of their physical bodies, there is reason to believe that the giants’ spirits continued to exist. In this state, they were, and are, demonic entities. Like other sentient creatures, they have an eternal spirit as their essence. Therefore, the Nephilim, and related tribes of giants, never ceased to exist. Only their physicality was lost.”

“The Nephilim never ceased to exist, only their physicality was lost.”

00::30:44

With idea of “Only evil continually” and the idea of animals being blended with humans, there is a movie that has come out called “Splice.” Scientists blend animals and humans together. “A genetically engineered angel”

The Church is clueless. Hollywood “gets it,” probably because they’re channeling demonic entities who are telling their story.

Two books: “Corrupting the Image” and “Forbidden Gates”

Does “corrupting the Image” end up opening “Forbidden Gates”? Leading up to the creation of Nephilim having only evil continually in their hearts and minds.

The Post-Flood Return of the Nephilim: the Archon Invasion

00::39:56

Post Flood

How did they get back?

Genesis 6:20 “After their kind”

Genesis 7:13-14 “After their kind’ is not listed for humans

Genesis 7:20-22 After their kind is missing

Genesis 10 “Table of Nations”

All post-flood giants trace back to people, not fallen angels

Ham> Canaan: giants

Ham> Mitzriam: 1 giant – Settled the Island of Crete

All Greek mythology comes from Crete

Ham> Cush: 1 giant – was not born that way, but became one: Nimrod

Historical accounts reveal some giants in Japheth’s lineage.

There are no giants in Shem’s lineage.

Great Wall of China was originally the Ramparts of Gog and Magog

They built it to keep out giants!

IN the UK, every year, there is the Lord Mayor parade with Gog and Magog effigies in it.

All US Presidents are related! To each other, and to King John of England, signer of the Magna Carta. All of the presidents also trace back their lineage to King John of England. He started the Lord Mayor parade with Gog and Magog effigies in it. Gog and Magog are giants.

Do you believe in the God of the Bible? Which god of the Bible?

[00::47:00 segment on names 00::48:21]

Numbers 13:33 sons of Anak

Giants are real!

00::50:30

[segment on animal blending and the possible source of Nephilim]

The inhibitor growth gene exists in the female tiger and in the male lion. When you mate a female lion with a male tiger (a Liger), you get an animal that just grows huge!

Were the giants sterile? Sons of Anak... Numbers 13:33, 2 Samuel 21:16-22, 2 Samuel 12:22 born to the giants. NI.

00::54:00

Female Nephilim

Deuteronomy 3:5-7 “utterly destroyed the men, women, and children”

Steve Quayle: The understanding of Genesis and the Nephilim is the “Rosetta Stone” unlocking all scripture and history.

Jesus is all about love, why was His Father in the Old Testament killing men, women, and children? God had a reason!

Who was it God was telling the Israelites to wipe out? Nephilim!

00::56:06

Deuteronomy 7:1-7 God told the Israelites not to marry certain people.

nale.

01::00:05

Akhnaten and Nefertiti

That's not just a cool hat she's wearing. That's hiding the shape of her head.

Nephilim “cone head” skulls have been found by the hundreds all over the world: Mexico, South America, Siberia, and elsewhere.

A lot of people say this is the result of “head-boarding,” where they strap boards to babies’ heads to shape them. Head-boarding will change the shape of the baby’s head, but it will not increase the cranial capacity, nor will it change the suture pattern on the skull.

01::02:33

This was found in Mexico, December 18, 2012.

They have found fetuses (at about 7 months) in the womb of a mummy with the same head shape. No “head boarding” there. But for those who were not born that way, why would the parents head-board their children? Because the elongated head people were the leaders of their society. They people wanted to emulate them.

They're emulating these elongated skulls!

[See Female Nephilim and the Giants.doc]

And maybe these hybrids indeed had special abilities acquired from the animal with which they were combined.

1::07:15

“Halle Berry has six toes” [probably not]

If Nephilim genes came through Noah’s son’s wives, you have

	X	X	
X	XX	XX	Female
Y	XY	XY	Male

50% chance of producing a Nephilim.

If you have multiple incursions:

	X	X	
X	XX	XX	Female
Y	XY	XY	Male

100% chance of producing a Nephilim in the 1st generation.

If the genes came through the flood, every male that existed after the flood has a Y chromosome that goes back to Adam. This means every man on the planet is redeemable.

01::09:20

Not all of Ham’s offspring were corrupted

Epigenetics 01::10:20

Epigenetics differentiate one cell from another. It distinguishes a muscle cell from a neuron.

The Epigenetic instruction tells the cell which feature to turn on and turn off. This happens during our embryonic development.

Epigenetic “marks” can be influenced by the environment both inside and outside the embryo. Food, cigarettes, stress, chemicals, vitamins can all contribute to the influencing the Epigenetics. These traits can be passed on to the offspring!

These Epigenes can be manipulated.

Scriptures may be talking about the effect of obedience on our genetic markers.

Deuteronomy 7:9 Obedience 1000 generations;

Numbers 14:18 fourth generation

Genesis 15:16 The iniquity of the Amorites is not yet full

01::17:25

A focus group study found that people who had committed various “sins” (Murder, Adultery, Thievery) had a scar on their DNA in the same location for the same sin. This is indicating genetic consequences of our sins.

Jesus is going to give us a genetic re-write (?)

01::18:50

Genesis 1:11-12

[11] And God said, Let the earth bring forth grass, the herb yielding seed, *and* the fruit tree yielding fruit after his kind, whose seed *is* in itself, upon the earth: and it was so. [12] And the earth brought forth grass, *and* herb yielding seed after his kind, and the tree yielding fruit, whose seed *was* in itself, after his kind: and God saw that *it was* good.

God does not like the mixing of seed.
Don't mix the seed!

In the post-Flood world, man continued the activity being done in the pre-Flood world of blending his kind with animals.

The black Obelisk of Shalmaneser shows an adult elephant (based on the size of the tusks) with a lion/human hybrid and people who are taller than the elephant

(Shalmaneser is mentioned in 2 Kings 17:3 and 2 Samuel 23:20)

2 Samuel 23:20

And Benaiah the son of Jehoiada, the son of a valiant man, of Kabzeel, who had done many acts, he slew two lionlike men of Moab: he went down also and slew a lion in the midst of a pit in time of snow:

Perhaps the lionlike men were like the ones represented in the Obelisk of Shalmaneser

Hittites – their name means “The Terrors” had carvings of lions with human heads and wings. Another carving shows Human bodies with lion heads and satyrs (human body with goat legs).

1::20:50

Genesis 23:10 Abraham negotiated with Ephron the Hittite. Ephron means Fawn-like. Is Abraham negotiating with a Satyr for the land to bury Sarah?

Persians, Greeks, and others have many carvings of animal/human hybrids. There are many occurrences of lion-human, lion bird (Gryphon), Centaurs, Minotaurs, and other chimera.

This one is known as the Chimera of Arezzo:

End of session
