Rob refers to various longitudes 33.33 (Mount Hermon) and 104.709 (33.33 * pi) where Roswell occurred (isn't a crash accidental?) as significant points, but seems to overlook that any Prime Meridian is arbitrarily set by men — unless his point is that the Nephilim were instrumental in getting the Prime Meridian set.

Take the time to know your enemy.

The enemy loves to set up shop in the Church. He also loves to set up shop in your home.

By the inspiration of the Holy Spirit, the Holy Spirit told the authors of scripture to refer to other books. That appears to be an endorsement. They help us understand the enemy.

Biblically Endorsed Extra-Biblical Texts

There are two extra-Biblical texts that tell us a lot. The Book of Jasher and the Book of Enoch.

Book of Jasher:

Joshua 10:13

2 Samuel 1:18

2 Timothy 3:8 Paul gets the information about Janes and Jambres from the Book of Jasher. Not Scripture, but valuable information

Book of Enoch – at least 100 references in the New Testament, quoted by Jesus, Peter, and Jude. Widely read in the 1st Century. Enoch was viewed as Scripture by many. Several of the Church fathers viewed it as Scripture. The Ethiopian Christians have it in their cannon. Six copies were found with the Dead Sea Scrolls.

“The words of the blessing of Enoch, with which he blessed the elect and righteous, who will be living in the day of Tribulation, when all the wicked and godless are to be removed:

And he began his story saying, ‘Enoch, a righteous man whose eyes were opened by God, saw the vision of the Holy One in Heaven, which the angels showed me, and I heard everything from them, and I saw and understood, but it was not for this generation, but for a remote [future] one which is to come.’ — 1 Enoch 1:1-2

20::30

That book was written and preserved for such a time as this.

Everything has to agree with the Bible. If it does not agree, I toss it out. If it does agree, I take it.

Fallen Angels: one third fell

Who were the 1/3 of the angels who fell?

Genesis 6:2

[2] that the sons of God saw that the daughters of men were beautiful; and they took wives for themselves, whomever they chose.

The sons of God are not sons of Seth.

Why would the good guys be doing the bad thing?

“Sons of God” are Angels

Nephilim? (Genesis 6:4)

The word just appears in scripture. Moses knew who they were, and his immediate audience knew who they were. They were familiar with the Book of Enoch.

The Book of Enoch mentions the Watchers.

Watchers (200 of them) (The book of Daniel mentions the Watchers)

“They landed on Mount Hermon” in the days of Jarod

Azazel

Ascribe all sin to Azazel

Leviticus 16:8, 10, 26

[8] and Aaron is to cast lots over the two goats, one lot for the LORD and one lot for Azazel.

[10] but the goat which has been designated by lot for Azazel is to be stood alive before the LORD to make atonement on it by sending it away to Azazel into the wilderness.

[26] and the one who sent the goat away to Azazel must wash his clothes, bathe his body in water, and afterward he may reenter the camp.

Post-flood

Pictures of giants: Nephilim!

Amos 2:9 36 feet up to 150 feet tall!

Rockwall, TX: A farmer found a buried rock wall – huge!. They punched a hole in it and it had a room with the skeletal remains of a human. The skull was three times larger than a human skull. The area has since been covered up by a reservoir.

When you look at the ancient world, you can see that many large structures once existed. Look at Baalbek. The history of Baalbek reaches back approximately 5000 years. It was roughly contemporary with the tower of Babel.

Tower of Babel was built about 100 years after the flood

36::46

Baalbek

A megalithic stone at Baalbek

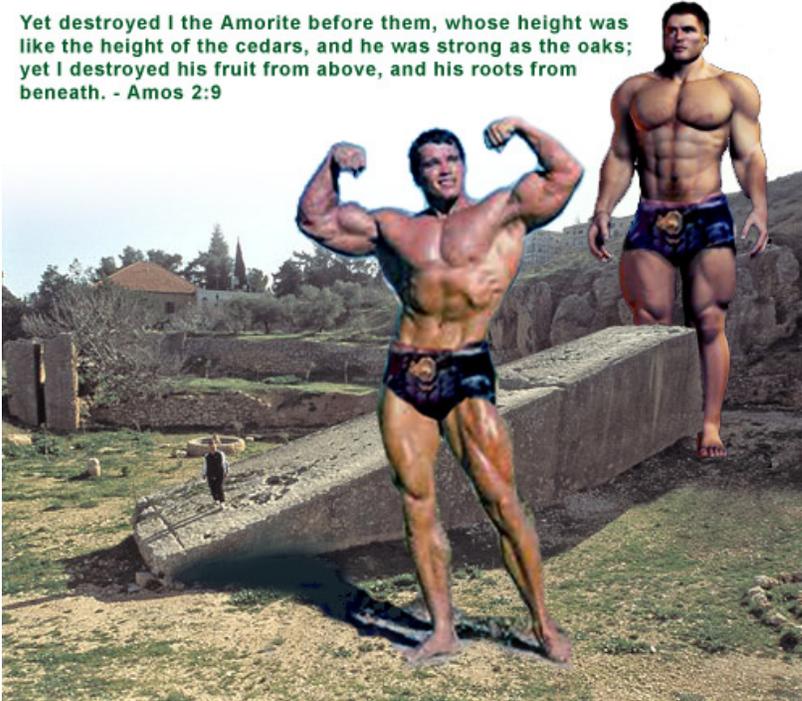

There is a six-foot man standing on the stone near the left end of it. We have no means of moving this stone today!

The modern explanation is that ancient aliens did it.

Is there another explanation?

Yes.

Yet destroyed I the Amorite before them, whose height was like the height of the cedars, and he was strong as the oaks; yet I destroyed his fruit from above, and his roots from beneath. - Amos 2:9

Amos 2:9

38::30

These giants show up *immediately* after the flood.

There is no evidence in Scripture of multiple incursions (Angels mating with humans after the flood). In addition, every post-flood giant traces back to the people in Genesis 10:6-20 with no reference to Angels anywhere in the picture.

Amorites: sons of Canaan, son of Ham who stepped off the ark

Phillistines: sons of Caphtor, son of Mitzriam, son of Ham...

The genetics that made giants possible after the flood came through on the ark.

When the Israelites came to Canaan, here's what they were up against:

It was to this Caleb said:

“...Let us go up at once, and possess it; for we are well able to overcome it.” Numbers 13:30b

Goliath was a runt compared to these guys.

The Days of Noah

Yeshua: "As it was in the days of Noah, so it will be at the coming of the Son of Man" —Matthew 24:37

Jesus is making a distinction between the time he was present on earth and the days of Noah. What differentiates the days of Noah from any other time in Human History?

- Creation of hybrids
 - The Nephilim were around for around 1200 years until the flood
 - You had the creation of hybrids before the flood
 - There is also the creation of hybrids after the flood (elaborates on this in a different session)
 - Remember, Noah was both pre- and post- flood: 600 years before and 350 years after
- Creation of an Inter-dimensional portal (the Tower of Babel)
 - "Reach into heaven" had nothing to do with height
 - The top of the tower had the equivalent of a stargate

CERN: stated objective is to recreate the big bang. They believe they're opening up inter-dimensional portals.

150 hybrids created in the UK in 2012 (and that's what they're telling us) —just like it was in the days of Noah.

Book of Life

The Beast will ascend out of the bottomless pit. —Revelation 17:8

The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, **whose names were not written in the book of life from the foundation of the world**, when they behold the beast that was, and is not, and yet is.

If you reject Christ, your name is *blotted out* of the Book of Life.
You can't blot something out if it was not there to begin with
God has put your name in the book. You just have to "confirm your reservation."

If you choose not to accept, He blots your name out of the Book of Life
It says, "Names were not written in the Book of Life." Whose names were not written in the Book of Life?" Beings who were never meant to exist in the first place: hybrids.

Some believe Jesus' statement in Matthew 24:24

[24] For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if *it were* possible, they shall deceive the very elect.

Indicates that will not be possible in the last days to deceive the very elect. However, they are misreading the statement. He's saying essentially that it is possible. Jesus also said to his disciples, "Be not deceived..." (Luke 21:8, also Matthew 24:4 and Mark 13:5) That means it *is* possible.

Be not deceived!

Matthew 24:3-5

And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what *shall be* the sign of thy coming, and of the end of the world?

[4] And Jesus answered and said unto them, **Take heed that no man deceive you.** [5] **For many shall come in my name, saying, I am Christ; and shall deceive many.**

Matthew 24:11

And many false prophets shall rise, and shall deceive many.

We're being brainwashed, even as Christians!

The introduction of the Greek mythology is preparing us for the great deception. The Illiad and The Odyssey, Percy Jackson, Clash of the Titans, Thor.... What do these three movies have in common? The son of god saves the World! But it's the wrong god!

Rob is creating a series called SEED to address the lost.

Alien Abductions

Dr. David Jacobs: investigates people who have been abducted

Aliens are really demons from the fallen realm

The Aliens have a "program"

There has never been a phenomenon like this. Abductions are a program.

There is a reason the program exists

Every step is planned.

Reproductive material taken

Embryos implanted and retrieved

"Can you tell the difference between you and us?"

Abductees over and over tell this, not just one here and there

This is an integration program of these hybrids into the general population.

They might be walking amongst us even now.

Dr. Jacobs started out with the intent of debunking alien abductions, and is now convinced. He has been investigating this for over 20 years.

Daniel 2:43

And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

Roswell crash site is directly parallel to Mount Hermon (33rd parallel). They multiplied the parallel (33.33) by pi and it gave them the longitude of where they were standing (104.709) (from the Paris Prime Meridian).

This was the beginning of the repackaging of Nephilim activity: Beginning of UFO sightings, B-movies about aliens, recently moving into mainstream alien movies.

Was Orson Welles broadcast an effort to test humanity's readiness for Nephilim interaction? At that time, people freaked out.

There is a Nephilim agenda at work in the Mainstream Media (and Hollywood) We're now prepared for the next stage of their program.

We've become so used to the idea of these strange things in the sky that when one hovered for a long time over Stephenville, TX, in 2008 most of the town saw it, it was on the regional news, and yet, it was no big deal.

The UN, in 2008 created an Ambassador for Aliens.

The same year, the Vatican said "We'll baptize them if they need it. But they may have never fallen and might be on a higher level of spirituality. We might have something to learn from them."

"Fallen Angel" activity is increasing and is only going to get worse as the days draw closer to Christ's return.

1::17::27

You're being programmed to accept this Nephilim thing that is coming. There is a movie called "Paul" about a little gray alien named Paul. In the movie, they simply assert that because Aliens exist, and they evolved, that the entire Abrahamic-Judeo-Christian theology is wrong. The alien even restores a missing eye to the Christian girl who is missing one.

Alien Gospel Propaganda

BBC Commercial "Superpower"

"Greetings, citizens of earth. My people have developed technologies which allow us to throw off our physical forms and travel great distances in the blink of an eye. We are <inaudible> to your leaders to help the human race survive <inaudible> for we believe in you. We are helping your scientists find cures for diseases which inflict your bodies. And helping you to preserve your planet's most precious resources. Many of <inaudible> wage peace. And maybe one day, with our help, war may be a thing of the past. Our army is a billion strong and growing. We are the people of the Internet and together, we're shaping the future of humankind."

BBC Commercial "Embrace Change"

"We come from another world. We come in peace, to offer you a new way, a better way to build a perfect future for you heathens. We just need you to embrace change."

This is a tiny sampling of what's out there to condition us for the presentation of the Nephilim in their new form.

The average "evangelical" will definitely have his faith shaken.

The coming Great Deception in film!
