All that I am
I give to you this day.
And many years from now
I'll love you so much more than today.

I will cherish you, and comfort you
though the world may bring you down.
I will bring you flow'rs, and make you smile;
In my eyes, you wear a crown.

You mean the world to me,
all my love I give to you.

When our little ones
are grown and on their own.
I'll take you in my arms,
full of joy at the love we've known.

I will cherish you, and comfort you
though the world may bring you down.
I will bring you flow'rs, and make you smile;
In my eyes, you wear a crown.

You mean the world to me,
all my love I give to you.

I will cherish you, and comfort you
though the world may bring you down.
I will bring you flow'rs, and make you smile;
In my eyes, you wear a crown.

You mean the world to me,
all my love I give to you.
