Verse 1

I don't have any fear or worries
 'bout where I'll go when I die
I don't have to play the hustle,
 or be confused by the King of Lies

Chorus

Cause I've been born again
Jesus has filled my soul
 I've been born again

Verse 2

I know Jesus has sealed my pardon.
 He's signed my papers and I'm on my way
He's on His way back to receive me
 with all of those who believe on His name

Chorus

Cause I've been born again
Jesus has healed my soul
 I've been born again

(Instrumental Verse)

Chorus

'Cause I've been born again
Jesus has healed my soul
 I've been born again

Verse 3

I have clear conscience when I wake up.
 Don't you want a clear conscience too?
All around you there is a message,
 the Heavenly Father speaks to you

Chorus

You can be born again
Start your whole life anew
 You can be born again

Spoken:

Once I dreamed I was in a Hollywood movie
And I was the star of this movie

In the movie I was to be the Savior of the World
But I couldn't be the Savior of the world

Because I didn't know everything
And I hadn't lived a sinless life

In fact, I couldn't even save myself
Then the director of the movie said we had to start over

I asked, "How far back do we have to go?"
He said, "You gotta be born again!"

Then I woke up and realized
That it was all real!

Except for the Hollywood movie part
And the Savior of the world part
I gotta be born again!

But there is a Savior of the world
He knows everything

He lived a sinless life
He made a path for us to be saved

But he said, "You must be born again!"

Chorus

You can be born again
Start your whole life anew
 You can be born again

Chorus

You can be born again
Start your whole life brand new
 You can be born again
