## Verse

Am G D Am Em(add 11) Am

Here we go, another holiday's coming.

G F F G(3<sup>rd</sup> fret)

It's time for that holiday season a—gain.

Am G D Am Em(add 11) Am

Pardon me, can't use this holiday spirit,

G F F G(3<sup>rd</sup> fret)

You know, it's just not my style to pretend.

## Chorus

C G

First they give thanks, then celebrate your birth,

Dm<sup>7</sup> Am Am Em(add 11)

and the bunnies all help with your resurrection.

C G

But their everyday lives are full of pride,

Dm<sup>7</sup> Am Am Em(add 11) Am

and the days they set aside all have other meanings.

## Bridge

D C2(x32030) G(320033) D

And if you want to celebrate the coming of the Son of God,

C2(x32030) G(320033) D

you ought to do it in your life every day.

D C2(x32030) G(320033) D

And if you want to comemorate the coming of the Son of God,

C2(x32030) G(320033) A

you ought to do it by your actions every day.

## Verse

Am G D Am Em(add 11) Am

Here we go, another Sunday morning.

G F F G(3<sup>rd</sup> fret)

It's time to be holy for a while.

Am G D Am Em(add 11) Am

Forget last week, forget the way you've been living.

G F F G(3<sup>rd</sup> fret)

It's time to put on that phony smile.

## Chorus

First they give thanks, then celebrate your birth,  
and the bunnies all help with your resurrection.  
But to God, what does it really mean?  
when He looks at your life does He see His reflection?

## Bridge

And if you want to celebrate the coming of the Son of God,  
you ought to do it in your life every day.  
And if you want to comemorate the coming of the Son of God,  
you ought to do it by your actions every day.
