Verse 1

Do you see it?

The progression;

More to less.

All around us,

molecular

Verse 2

patterns digress.

Do you see it?

Replication;

Genetic code.

Each generation

the information

Chorus

is getting old.

There is a cure, but there is a cost.

Remedy pure but, will it be lost?

Verse 3

Do you see it?

The confusion;

Effect is wide.

Difficulty;

See the tension

Chorus

on every side.

There is a cure, but there is a cost.

Remedy pure but, will it be lost?

Verse 4

Do you see it?

Justification;

White is black.

Void of meaning,

the light is dimmer,

Chorus

up is back.

There is a cure, but there is a cost.

Remedy pure but , will it be lost?
