Remember the Lord in the days of thy youth
When all that you have is so good.
Remember the Lord in the days of thy youth
Before the evil days come.

And you're swept away by the forces of evil
Never to be seen again.
If you know the Lord, then Satan has lost you
His powers are to no avail.

The Tempter is waiting to lead you
away from the path you know right.
The Tempter is waiting to snare you,
to take you away from the light.

He'll take you away by his powers of evil
Never to be seen again.
If you know the Lord, then Satan has lost you
His powers will never prevail.

Remember the Lord!
Remember the Lord!

Remember the Lord in the days of thy youth
When all that you have is so good.
Work for the Lord in the days of thy youth
So you'll know your reward is secure.

And you'll ne'er be swept up by the forces of evil
Never to be seen again.
If you know the Lord, then Satan has lost you
His powers will never prevail.

Remember the Lord!
Remember the Lord!

Remember the Lord in the days of thy youth
When all that you have is so good.
Remember the Lord in the days of thy youth
So you'll know your reward is secure.
