the reason you set me free.**

But now I'm not sure I even wanna know!**

Don't sweat it. When the heat is on.**

**My happiness and peace of mind don't come from you.
My life won't fall apart when you tell me "We're through!"**

Verse 3

**The ladies have hurt me so.
It's crazy! Gonna let it go.**

**More important things in life than to dwell on this.
Don't you know I'm satisfied? — I'm bliss!**

A moment — you've changed your mind!**

But remember when you got good lovin', it's grand!**
