Verse 1

Satan's got an evil eye on you.
He watches for cracks in the things you do.
He'll destroy what's good, and leave you with trash.
He'll make you believe that God won't have you back.

Chorus:

Just turn your eyes on his face.
Jesus will show you His loving grace,
His loving grace, and . . .
We can live with Him for ever,
for He has made a place for us to be with Him.
But here on earth, He has the power
to make us clean because of His blood.

Verse 2

Satan makes you think you've no value at all.
He keeps telling you that you've gone too far.
He wants you to believe God can't forgive your sin.
He keeps filling your head again and again.

Chorus

Verse 3

Our righteousness is but filthy rags.
Not one of us deserves the love He gives.
But Jesus paid our debt because of His love.
We can be made complete by our God above.
